

**North Sanpete School District
Employee Technology Acceptable Use Agreement**

User

I have read the North Sanpete School Board Employee and Student Technology Acceptable Use Agreement (district policy number V-30). I understand and will comply with the guidelines set forth by the board, particularly those concerning the Internet. I further understand that any violation of this policy will result in my being subject to the penalties that may be imposed by the administration and/or the school board. Furthermore, I understand that violations, which constitute criminal conduct, will be referred to appropriate law enforcement agencies.
